

1929

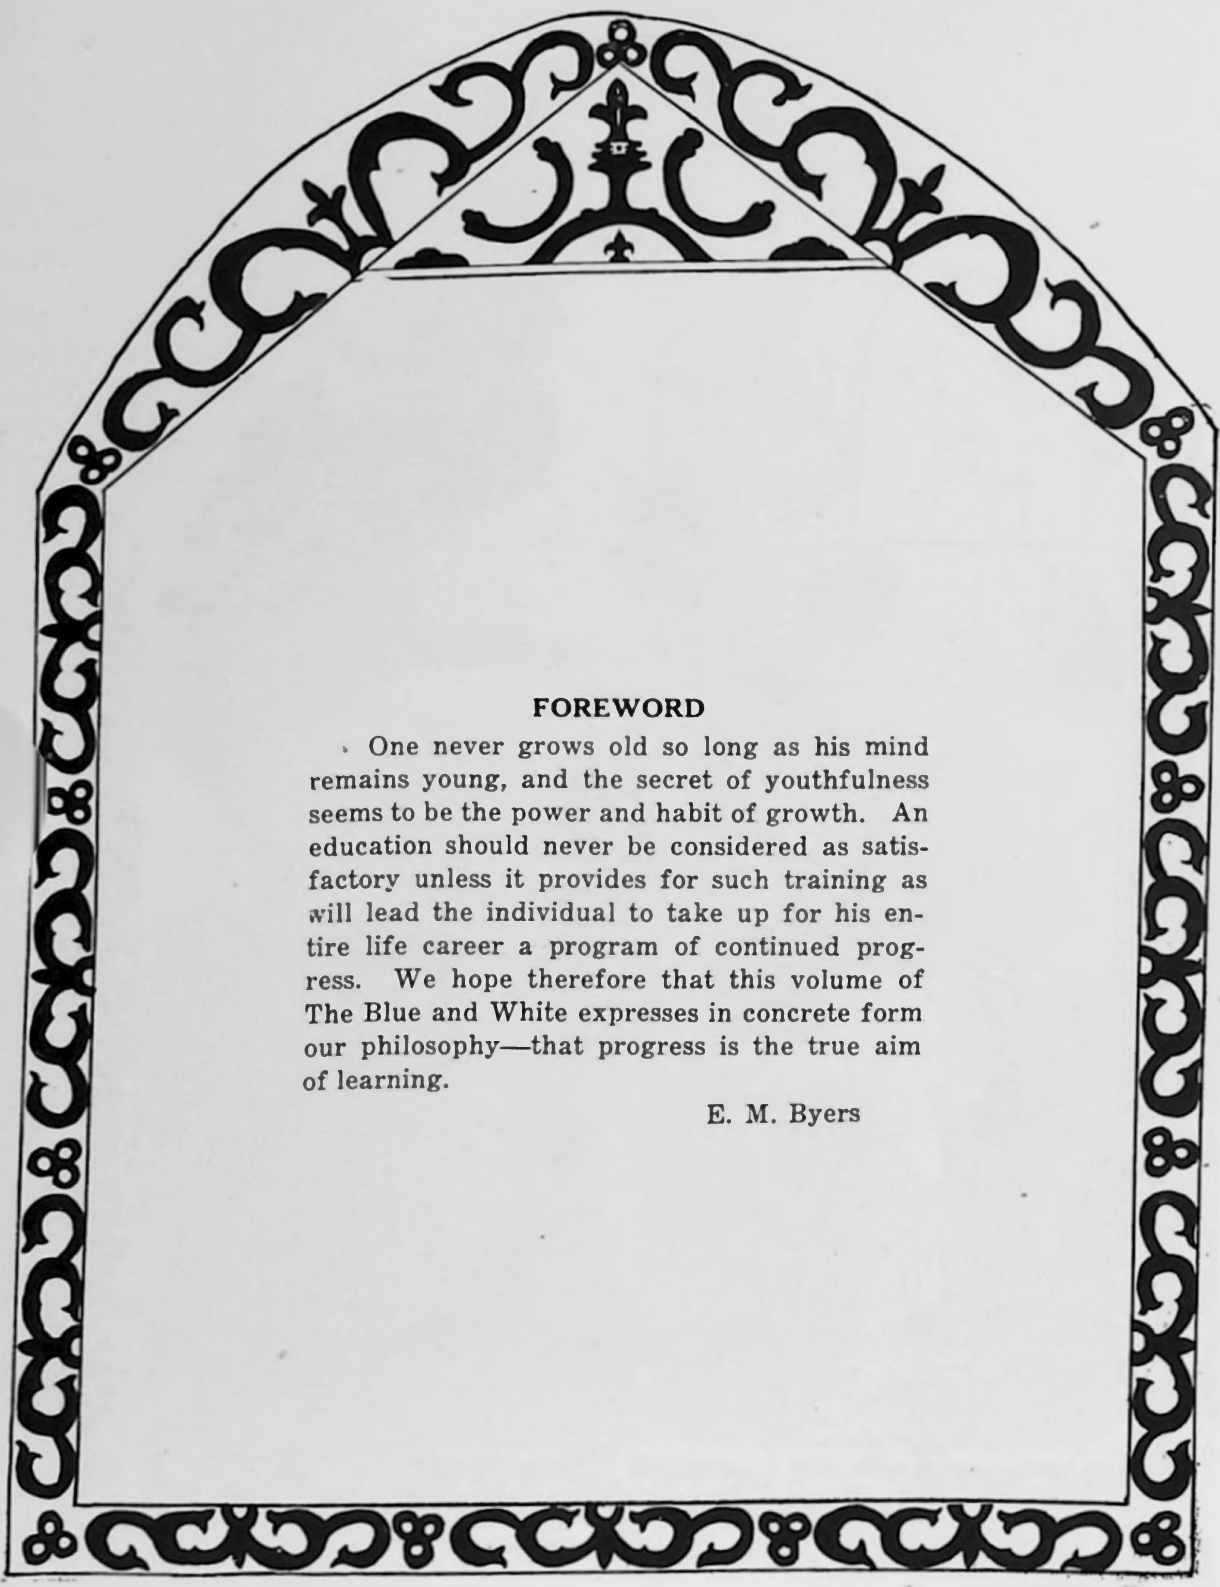

DEDICATION

The class of 1929 feels that the full responsibility for the name and position of our high school in the community, state, and nation is in the work of the graduates.

Therefore we affectionately dedicate this volume of The Blue and White, to any and all of those members of the Alumni who have really lived as we feel a good representative of an educational institution should live.

FOREWORD

One never grows old so long as his mind remains young, and the secret of youthfulness seems to be the power and habit of growth. An education should never be considered as satisfactory unless it provides for such training as will lead the individual to take up for his entire life career a program of continued progress. We hope therefore that this volume of *The Blue and White* expresses in concrete form our philosophy—that progress is the true aim of learning.

CLASS POEM

O, I wish I had listened to my Mother,
Every day for the last four long years,
O, I wish I had listened to my teachers,
Who were so kind and dear.

When we entered the school as Freshmen,
We thought only of joy and bliss,
Who ever dreamed that a Senior Class
Could come to an end like this?

We are sorry for these crimes of ours
And wish to erase the stain,
And hope we may be forgiven
To start life over again.

Tomorrow we leave for the cold world,
Leaving our dear teachers alone,
Where the cold storm of life will surround us
As for our happy past we moan.

We were told when we entered as Freshmen
We must study and work to win,
But we took life easy and here we are
With our exile about to begin.

It will be dreadful to think in years to come
Of our four years in Scottsdale Hi,
But nevertheless the Class of '29
Its good name never let die.

CLASS SONG

(Tune—Oh Susanna)

We are leaving Scottdale High School,
Her mem'ries we'll hold dear,
We have now completed all our work,
The future we'll not fear.
We are now prepared for the task;
We'll honest be and true,
To the emblem of our dear High School
The flag of white and blue.

Chrous

Nineteen twenty nine,
The best class of them all,
When we tackle our opponents,
Our grit will them appall.

Oh the class of '29 it seems,
Has taken lots of bumps,
We have often been discouraged,
And even had some slumps,
But we always seemed to come on top,
And here we are at last,
A jolly bunch of Seniors,
And a graduating Class.

Chorus

Nineteen twenty nine—
Keep your courage high,
For we're going out into the world,
Our fortune for to try.

TREE SONG

Tune—Dip Boys Dip The Oar

'Tis time to leave our High School,
This class of twenty-nine;
We plant this tree of memories,
For thee a loving sign.

Chorus

Just a tree of love,
To remember dear Scottdale High,
A tree of memories
Of happy days gone by.

And as we leave our High School,
When stormy is life's day,
We'll turn to you to help us,
And steal our cares away.

Then as the years pass onward,
We look to thee as when,
You made our life more fair, "Tree,"
So thus we'll sing again.

THE JUNIOR CLASS

President.....Thomas Slaughter, Robert Miller
Vice President.....Fred Seiberling, Woodrow Coffman
Secretary.....Vivian Chambers
Treasurer.....Robert Ritchards

When Thomas Slaughter and Fred Seiberling moved out of town Robert Miller and Woodrow Coffman were elected to fill their places.

Later the class colors, blue and gold, the class flower, the American Beauty, and the class motto, "Nothing is impossible to a willing mind," were chosen.

The Junior class was well represented on both the football squad and basketball team by Kenneth Carroll, Robert Miller, Leo Skemp, James Goff, Joe Yelenosky, William Cox, Dominic De Santis, Robert Sherrick, and Thomas Slaughter.

The Juniors bought very attractive rings and pins from the Herff-Jones Company. The Committee was composed of Chairman Eugene Wall, Charles Wall, Vivian Chambers, Mary Jane Kelly, and H. B. Gilmore.

A very successful "Junior Frolic" held March 8, 1929, at the Y. M. C. A., as a means to raise money for the Junior-Senior Banquet and Prom, was very successful. The principal feature of the Frolic was a one act farce, "The Other Kitty," under the direction of Miss Mildred Stoner, in which the following cast made a big success: William Winkler—Leo Skemp, Benjamin Moore—John Leighty, Jane—Laura Mae Jones, Bobbie Baxter—Robert McDowell, Kitty—Vivian Chambers, Ting—Woodrow Coffman. Other acts were a basketball game between the East Huntingdon Juniors and the S. H. S. Juniors; Miles Milanders, a popular local orchestra; an act "Comedian of Song" given by Wade Weaver, accompanied by Carl Porter; and moving pictures of Lindbergh and local scenes. During the evening girls of the class sold home-made candy.

The great event of our Junior year was the Junior-Senior Banquet and Prom, held June 4, 1929. Thus the curtain closed on our third year in Scottdale High School.

HISTORY OF SOPHOMORE CLASS

President	Kyle Work
Vice President	Vernon Rush
Secretary	Joe Conway
Treasurer	Keister Rush

When we began our Sophomore year it looked as if we would never amount to anything. However, after a few weeks we settled down and now appear very promising. Several dropped out of school and a few new ones have joined our class.

We have introduced some new ideas. The Book Club was started this year. The Sophomores combined with the Freshmen in a Dramatic Club for the first time.

In the field of sports the Sophomores rank high. In football the class was represented by Wendell King, Kyle Work, Kenneth Richter, William Lyttle, Donald Eicher, William Cramer, Arthur Black, William Petrarco, Grant Miller, and John Bluhm. Kyle Work was the only one who gained the coveted S letter although Schwartz and Black played in several of the games this year.

To Basket-Ball the class contributed Vernon Rush, Keister Rush, Donald Eicher, Eugene Stauffer, Kyle Work, Kenneth Schwartz and Walter Glasgow. The first four men mentioned were on the second team and earned their S. Also Room Six one of the Sophomore assembly rooms won the pennant for the Inter-Room Basketball-Ball Tournament.

Kyle Work represented our class on the High School Debating Squad.

With this record and with two more years to improve, our class should be one which will bring honor to the Scottdale High School.

Joe Conway.

The Hi-Y and Hi-Tri Clubs which are sponsored by the Y. M. C. A. are composed entirely of high school boys and girls. All of the activities of these organizations are carried on at the Y. M. C. A. building, but we include their lists of members in this number of The Blue and White because they are really a part of the school life of the members.

The Junior Music Club is an auxiliary of The Monday Musical Club of Scottdale. All of the members are high school students. This club is working to develop the talents of our young musicians.

REVIEW OF 1928 FOOT BALL SEASON

The Athletic curtain arose September 29, 1928, and, Football, the greatest of high school out door sports was ushered in as the beginning of the sports program of Scottdale High School. Eight veterans of the previous year were back to don the fighting armor for another campaign on the gridiron, and the new material was plentiful and looked good.

Coaching had been the big problem that confronted our school but in late July, Roger "Red" Kirkman, a graduate of Washington and Jefferson College had been signed up as coach. He was one of the mainstays of both the basketball and football teams of that school and also participated in other athletic events. He arrived in early September and immediately began to make preparations for the fast approaching football season.

On Saturday, September 29, Rockwood High School appeared on the local gridiron for the season's opener and succumbed to the powerful drive of the Blue and White with a 44-3 score.

On the following Saturday, Scottdale met with the first setback of the season, at the hands of the strong Charleroi eleven. The score was 26-6. The Scotties put up a hard fight but the terrific offense of the Stephanian coached eleven was just a little too much for them.

Scottdale next played their first game away from home and turned in a 19-6 victory over the Dunbar Township aggregation.

The Uniontown High gridders were the opponents of the Scotties on October 20th, and came to Scottdale boasting of a powerful team. The Kirkmanites however, proved too strong for them and topped them 12 to 0.

On October 27th Scottdale High School won one of the few forfeit games ever to be played on the local field. But a few minutes of the first quarter had been played when the South Union coach disputed a ruling of the referee, and took his team from the field, thus forfeiting the game to Scottdale, 1-0.

The annual clash between Scottdale and Connellsville took place on the latter's field Saturday November 3, and although the local boys completely outplayed the cokers, they did not out score them. The game ended with the Scotties on the short end of a 6-0 score.

On the following Saturday the local pigskin chasers met with another 6-0 defeat at the Athletic Field at the hands of West Newton. The game was played in a sea of mud and the dominating weight of the West Newton boys proved disastrous.

Saturday November 17 the Scotties journeyed to Latrobe greatly handicapped in as much as they had six regular players on the injured list. The game ended with the score 31-0 in favor of the Latrobites.

The Blue and White gridders then shook the jinx which had been with them for three weeks and defeated their friendly enemies, East Huntingdon on the local field by the score of 16-0.

The annual set-to on Thanksgiving Day between Mt. Pleasant and Scottdale ended with Scottdale on the short end of a 13-0 score. At the close of this game the curtain dropped, ending the football season of 1928.

On December 12 the Senior Class gave the annual banquet to the Football Squad. The following men were awarded the official school letter "S" and a certificate of the same: Captain Edward Fortney, Steve Boretsky, Kyle Work, Bob Miller, Richard Hardy, Robert Bixler, Walter Collins, Tom Slaughter, Joe Yelenosky, Harry Barkell, Dominic De Santis, Archie Anderson, Robert Fite, and Student Managers Ralph Anderson and Kenneth Smith.

REVIEW OF 1928-1929 BASKETBALL SEASON.

Another thrilling basketball program has just become a memory to the thousands of followers of the winter floor sport this year. The team enjoyed a season of startling upsets, and despite the weak start, turned in a fine record to bring their playing season to a fitting conclusion. The greatest number of scheduled games was confined to the section ten of the W. P. I. A. L., of which we are a member, struggles in the annual county tournament held at Greensburg, and non-league battles furnished amusement during the intervals between the league games and after the league season.

The non-league season opened with a rush, and the annual curtain lifter was staged with Coach Clawson's Norwin High proteges on the home floor and proved to be the Blue and White's first victory, 22-10. The Munhellers from Pittsburg were the next to succumb to a score of 18-12. Norwin was invaded in a return engagement and proved the third victim, 42-31. Mt. Pleasant came down and were easily brushed aside by the locals 37-16. Another new opponent, Dunbar High, was met on their own floor and gave the Scotts their first defeat of the season 19-10. This game was the last one in which captain Slaughter played, for he was declared ineligible on the grounds of non-residence. Mt. Pleasant and East Huntingdon fell before the Scotty passers by large scores.

The section ten schedule opener was at Jeannette where one of the best exhibitions of basketball was given to those attending by the varsity five who triumphed 19-18. Greensburg High came down to take the town, but only succeeded in getting 21 points to our 27. This was one of the biggest upsets of the whole section ten season. The Scotts' next game was played with an old rival, Connellsville at the lat-

ter's court where they were completely outclassed throughout the game which ended in a 27-10 score. The River boys from West Newton put on the biggest kink in the Scotty aggregation when they edged out a victory after one extra period had been played. The score was 34-31. Scottdale's next clash was just another victory for Uniontown, later section champs, 27-18.

Following the Uniontown game was the battle with Latrobe held at the latter place. The Kirkman machine showed a decided improvement, but lacked the necessary number of points to win. The score was 29-18. Jeannette was handed her second defeat 34-30. The local basketeers journeyed to Greensburg for the next game and completely outplayed the Loucksmen, but again lacked the necessary scoring power and lost 27-17. Connellsville was the next opponent at the local Y and only after a heated battle did the Scotts emerge victorious, 20-18. In the following game revenge was secured over the West Newton High dribblers on their own floor, 38-30. Uniontown came over and gave the Blue and White their second big flop 30-10. The final section ten clash was held on the following Friday when Latrobe appeared as our guests and were completely defeated 21-12, ending the playing schedule for 1928-29.

The Scotts later entered in the Westmoreland Annual County Tournament March 1 and 2, and secured a bye in the second round. Mt. Pleasant was the local boys' victim, but on the following day of the tourney, the Scotts suffered likewise at the hands of the "Dark Horses," Jeannette High, who later carried off high honors of the tournament, which ended a most exciting season of high school basketball.

Animals

Everything has life. Some very useful insects are the bees. There is a queen bee she is the boss. She lays the eggs for the bees. The droon is the bee who trys to kill the bees and keep them from working. There is only one queen bee to each hive. She is larger than all the rest. If there would be two queens in 1 hive she would take half the bees and get another hive. If you want to get the honey out of the hive just smoke a pipe and the bees will not bother you.

Some unsiful insects are mosquiti and some other little bugs that give you a disease. At night when you are asleep they will come through your window and bit you then you will scratch it till it may cause poison.

A Dirty insect is the fly. It will go out in the street and step in spit then fly in your house and tramp on your food. If the man who spit had T. B. your family might catch it to.

Some good birds are robins, blue bird, canary, pigeon, and some bad ones are sparrow, black hawk, and crow. They go around and eat your grain. The hawk or the crow goes and kills all the mise in the wheat fields. It is useful to us.
